

Gloucester Athletic Club

Est. 1880

Open Meeting

The club is hosting an Open Meeting on Sunday 23rd April, which we are hoping will become a permanent fixture in the local athletics calendar. We have electronic photo-finish timing for all track events, plus pacemakers for all events 800m and upwards. This will be one of the main fundraising events for the club this year, so we really need support from athletes, coaches and parents to get behind the event. If you are willing to help at the event as a volunteer, please contact Steve (sensiblesteve@hotmail.com) as this event helps keep membership fees down.

Entry is through [SportSoft Entries & Results \(race-results.co.uk\)](http://race-results.co.uk) .

AoC Athletics League (from Justin Smith)

Hartpury University is looking to enter the AoC Athletics League (College u18) events for athletes who are Hartpury students and would like to compete. Hartpury will pay for the entries so the athletes just need to sign up. Transport will be provided. The dates are all early season

Athletes who go to Hartpury and are interested to compete and know events they want to do should contact lee.douglas@hartpury.ac.uk. Note that these events are not included on the fixture list below.
